COURSE INSTRUCTOR

Dr. Ihab M. Hanna has been the founder of Redwood City Implant Study Club since 2007, sharing his knowledge with local general practitioners through monthly classes and mentoring. All around, Dr. Hanna has been practicing dentistry for twenty five years. He is an everyday clinician with two practices in the bay area, primarily focused in implant dentistry and other advanced dental procedures. He uses nothing but the latest dental technology in order to guarantee an efficient, safe and pleasant environment.

Dr. Hanna is an active member in the following organizations:

- Diplomate, American Board of Oral Implantology-Implant Dentistry
- Diplomate, International Congress of Oral Implantologists
- Founder, Redwood City Implant Study Club
- Member, American Academy of Implant Dentistry
- Hospital Privileges at Sequoia Hospital
- ADA, CDA

TESTIMONIALS

"It has been excellent. It's been wonderful to share all the knowledge. thanks again"
- D.M. DDS

"It was very important to learn and see an actual sinus lift surgery, never seen one before. He makes it look easy but he did such an amazing surgery. I'm very impressed. It was just fantastic thanks for the opportunity you have given us. See you next time!"
- M.E. DDS

"Learned the importance of careful treatment planning to avoid problems and have a good outcome."
- J.V. DDS

Very comprehensive for a starter. Starting with case selection, treatment planning. Dr. Hanna made the surgery look very simple. In short, he helped me get rid of the fear or hesitation I had with implants. Food was awesome"
